Rebate Type (check all that apply)

- \$1,500 New All Electric (AEV)
- \$1,000 New Plug-in Hybrid (PHEV)
- \$750 Used AEV or PHEV

Do you qualify for extra savings?

- \$1,000 Low & Moderate Income Rebate (New or Used AEV)

Additional rebate is available to customers who meet the following income conditions:

| Household Size | Income Limit |
|----------------|--------------|
| 1 person | \$50,000 |
| 2+ people | \$85,000 |

- I attest my 1 person household income is \$50,000 or less
- I attest my 2+person household income is \$85,000 or less

Rebate Delivery Method (choose one)

- Point-of-sale/lease (participating dealerships)*
- Mailed check**

Low & Moderate Income Rebate Delivery Method (if applicable)

- Point-of-sale/lease (participating dealerships)*
- Mailed check**
- *By checking this, I acknowledge that the dealership has already applied the rebate to the purchase price of the vehicle.

** Must include completed [W9 form](#) to receive check.

Want to join our free EV charger program?

We give you a Level 2 charger (\$600 value) when you agree to install it and share access with GMP to help reduce demand on the grid during peak power use times. You must have WiFi to connect with GMP. Learn more at greenmountainpower.com/product/home-level-2-ev-charger/

- Yes! I'd like the charger. I agree. Enroll me now!

By filling out this form, I acknowledge that I have read and understand this form and its contents in their entirety, and I am being truthful in my answers.

GMP Electric Vehicle Rebate Form

Terms & Conditions

- *\$1,500 rebate is available only for new all-electric vehicles.*
- *\$1,000 rebate is available only for new plug-in hybrid vehicles.*
- *\$750 rebate is available for used all-electric and plug-in hybrid vehicles.*
- *Low & Moderate Income Rebate is available only for all-electric vehicles, new or used, and only for customers who meet income requirements.*
- *Low & Moderate Income Rebate limited to the first 150 qualified vehicles.*
- *Vehicle must be registered in Vermont.*
- *Free Level 2 charger is available with the purchase of any electric vehicle and must be enrolled in GMP's device management platform.*
- *Point-of-sale/lease rebate is currently available at participating dealerships (see GMP website for list).*
- *Customers selecting the point of sale/lease option acknowledge that dealership has already applied the rebate to the purchase price of the vehicle. The dealership is responsible for submitting this form and supporting documentation and will receive the rebate amount in full.*
- *Customer eligibility for customer use vehicles only; not available for vehicles intended for resale.*
- *This rebate may be considered taxable income by the federal or state government. Consult a tax professional for advice and to determine the tax consequences of this rebate.*
- *W9 form required prior to issuing rebate check. Rebates will be issued upon receipt and review of completed applications.*
- *Customers joining the free charger program must have WiFi, install the charger, connect to and share access with GMP.*
- *The MSRP must be \$60,000 or less.*
- *This rebate is only for GMP customers with active accounts.*
- *For used vehicle rebates, purchases by customers who have already claimed a GMP incentive for that vehicle are not eligible.*
- *GMP reserves the right to modify or end this offer at any time.*
- *This offer is valid for qualifying vehicles purchased or leased on or after March 14, 2019 through December 31, 2019.*
