Re: Case No. 21-____-PET – Petition of Green Mountain Power Corporation pursuant to 30 V.S.A. 218c for approval of its 2021 Integrated Resource Plan

Dear Ms. Anderson:

Green Mountain Power submits our 2021 Integrated Resource Plan along with a petition requesting the Commission's approval pursuant to 30 V.S.A. 218c. This plan represents GMP's roadmap to proactively address climate change by increasing reliability and resiliency, and providing our customers with cost-effective carbon-free, renewable power. We look forward to the Commission's review.

Thank you, and if you have any questions, please feel free to call.

Sincerely,

Carolyn Browne Anderson
