

REVISED CUSTOMER NOTICE

Effective July 1, 2022, you will get a credit of 0.49% of the Current Energy/Major Storm Adjustment portion of your bill. Through this credit, GMP is returning \$3.2 million to customers for lower power supply costs, net of sales and major storm restoration costs, that had accrued through December 31, 2021. This credit will be on your energy statement for 12 months and may be adjusted in the future based on power supply costs, sales, and major storm restoration costs.
